## **VHQC Announces New Addition to Board of Directors**

**[Richmond, VA]** – VHQC, a nonprofit health quality consulting company, announces the election of Gene M. Ransom III to its Board of Directors. VHQC's major contracts include the Medicare Quality Innovation Network – Quality Improvement Organization for Maryland and Virginia and the Health IT Regional Extension Center for Virginia.

"Mr. Ransom is a wonderful addition to our Board. He brings extensive leadership and policy experience and expansive knowledge of the Maryland healthcare landscape," said VHQC President and CEO Donald A. Glozer, MHA, FACHE.

Ransom, who lives and works in Maryland, has 20 years of healthcare policy and legal experience. Since 2009, he has served as the CEO of MedChi, the Maryland State Medical Society. In this role, he supports MedChi's mission to advocate for physicians, patients and the public health of Maryland. Previously, Ransom served as associate counsel for the Annapolis office of MedChi. He earned a bachelor's degree in economics, cum laude, from the University of Maryland. He received his J.D. from the University of Baltimore School of Law.

### **About VHQC**

*For more than 30 years, VHQC has been leading the way to better health care for providers and other clients by offering expertise in quality improvement, utilization management, analytic services and health information technology support that improves patient outcomes — and often results in cost savings. For more information, please visit [www.vhqc.org](http://www.vhqc.org).*
